

## FRUIT TREE PRUNING WORKSHOP

Over the last couple years it has become apparent that individuals within our community would like to educate themselves on the correct way to manage their fruit trees. In response to the numerous request, the UW-Extension, Jefferson County Office will be offering a Fruit Tree Pruning Workshop. Come discover how to manage your fruit trees.

Meeting will include presentations followed by a hands-on workshop at a local orchard. So, please bring your pruners and gloves – and dress appropriately for the weather!

**When:** Thursday, April 7, 2016

**Where:** UW-Extension, Jefferson County Office, 864 Collins Road, Jefferson

**Time:** 5 p.m. to 7 p.m.

**Speakers:** Amaya Atucha, UW-Extension Fruit Crop Specialist  
LaVern Georgson, UWEX, Jefferson County Agriculture Agent
